

HELEN ROHNER CHILDREN'S FISHING PARK
SUMMER NATURE CLASSES

June, 2018

All classes are free and open to the public. Parents will be asked to register their child and provide a name and phone number so please arrive 10-15 minutes before a class begins. For more information call the Geneva Lake Conservancy at 262-275-5700. Thank you.

Sunday, June 3, 11 a.m. DEDICATION AND OPENING—Join us for trout cookies and other refreshments as the park is dedicated to the children of Williams Bay for fishing and nature study. Volunteers from the Lake Geneva Fishing Club will be on hand to help children learn how to fish.

Tuesday, June 5, 1:30-2:30 p.m.-FISHING LESSON – Volunteers from the Lake Geneva Fishing Club will be teaching children 5-12 how to fish for trout. Various bait will be discussed, children will dig for worms and there will be time for all children to fish in Southwick Creek. AGES 5-12

Thursday, June 7, 1:30-2 p.m.—STORY TIME –Join us for Story Time with the librarians from the Barrett Memorial Library under The Thinking Spot, our new storytelling area shaded by a walnut tree. You will sit on logs as you listen to stories about fish, birds and nature. AGES 3-10

Tuesday, June 12, 1:30-2:30 p.m.-FISHING LESSON – Volunteers from the Lake Geneva Fishing Club will teach children 5-12 how to fish for trout. Various bait will be discussed, children will dig for worms and there will be time for all children to fish in Southwick Creek. AGES 5-12

Thursday, June 14-1:30-2 p.m. -STORY TIME-, Join us for Story Time with the librarians from the Barrett Memorial Library under The Thinking Spot, our new storytelling area shaded by a walnut tree. You will sit on logs as you listen to stories about fish, birds and nature. AGES 3-10.
