

Summer Nature Classes

(July/August 2018)

Location: Helen Rohner Children's Fishing Park and Kishwaukétoe Nature Preserve

251 Elkhorn Rd, Williams Bay, WI 53191

All classes are free and open to the public. Parents will be asked to register their child and provide a name and phone number so please arrive 10-15 minutes before a class begins. For more information call the Geneva Lake Conservancy at 262-275-5700. Thank you!

Tuesday, July 3, 1:30-2:30 p.m. - Fishing Lesson – Bob Kantor from the Lake Geneva Fishing Club will teach children 5-12 how to fish for trout. Various bait and techniques will be discussed, and the children will have the opportunity to fish in the Southwick Creek. Fishing gear for use is provided, but feel free to bring along your own pole and tackle box. The event runs from 1:30-2:30, meeting at the park to begin. (Ages 5-12) Instructor: Bob Kantor

Tuesday, July 10, 1:30-2:30 p.m. – Fishing Lesson - Bob Kantor from the Lake Geneva Fishing Club will teach children 5-12 how to fish for trout. Various bait and techniques will be discussed, and the children will have the opportunity to fish in the Southwick Creek. Fishing gear for use is provided, but feel free to bring along your own pole and tackle box. The event runs from 1:30-2:30, meeting at the park to begin. (Ages 5-12) Instructor: Bob Kantor

Thursday, July 12, 1:30-3 p.m.– Butterflies – Visit a butterfly garden to look at the plants that attract butterflies and discuss the lifecycle of butterflies, habitat needs and what different species of butterflies tell us about different landscape. We will then have a butterfly craft to follow. (Ages 4-8) Instructor: Kiera

Tuesday, July 17, 1:30-2:30 p.m. – Fishing Lesson - Bob Kantor from the Lake Geneva Fishing Club will teach children 5-12 how to fish for trout. Various bait and techniques will be discussed, and the children will have the opportunity to fish in the Southwick Creek. Fishing gear for use is provided, but feel free to bring along your own pole and tackle box. The event runs from 1:30-2:30, meeting at the park to begin. (Ages 5-12) Instructor: Bob Kantor

Thursday, July 19, 1:30-3 p.m. – Orienteering – Learn basic survivor skills, how to use a compass, and what to do if you are lost in a landscape. We will have practice exercises for you in the nature preserves and some fun mock scenarios (Ages 6-12) Instructor: Dani

Tuesday, July 24, 1:30-2:30 p.m. – Fishing Lesson - Bob Kantor from the Lake Geneva Fishing Club will teach children 5-12 how to fish for trout. Various bait and techniques will be discussed, and the children will have the opportunity to fish in the Southwick Creek. Fishing gear for use is provided, but feel free to bring along your own pole and tackle box. The event runs from 1:30-2:30, meeting at the park to begin. (Ages 5-12) Instructor: Bob Kantor

Thursday, July 26, 1:30-3 p.m. – Nature’s Theater – Join JaNelle Powers, director, actress and musician, for music, dance and fun at the Thinking Spot. We’ll sing about fish and sailing and flowers and so much more, while playing rhythm instruments and listening to music (Ages 5-10) Instructors: JaNelle Powers and Janet Happ

Thursday, August 2, 1:30-2:00 p.m. – Story Time- Join us for Story Time with the librarians from the Barrett Memorial Library next to the Thinking Spot, our new storytelling area shaded by a walnut tree. You will sit on logs listening and signing about fish, birds, and nature. (Ages 3-10) Instructors: Miss Emily and Miss Jeanne

Thursday, August 7, 1:30-3 p.m. – Geocaching – Learn how to geocache and find sites within Kishwaukétoe and the new Helen Rohner Children’s Fishing Park (Ages 6-12) Instructor: Jen

Thursday, August 9, 1:30-2:00 p.m. – Story Time- Join us for Story Time with the librarians from the Barrett Memorial Library next to the Thinking Spot, our new storytelling area shaded by a walnut tree. You will sit on logs listening and singing about fish, birds, and nature. (Ages 3-10) Instructors: Miss Emily and Miss Jeanne
